

12. Simple payment system with #-mail based

- ① #-mail is Korean Govt Standard Registered e-mail service.
 - ② #-mail = (The Postoffice Registered mail with the contents proof + The Electric Notary Documents)
 - ③ Do not need the personal identity verification procedure & support the Simple Payment Environment.
- 고객에게 청구서를 #메일로 보내면 수신자가 청구서를 확인하고 결제란에 결제정보 입력으로 결제가 완료되고, 결제완료 된 영수증은 PG사가 고객에게 #메일로 전송하는 시스템 입니다. #메일은 국가가 발급하는 공인전자주소로 별도의 본인확인 절차가 필요 없습니다.

※ Bill

- Check the Bill form
- Input the credit card information & send button

※ Receipt

- Check the #-mail
